PRESIDENTIAL UPDATE

Well, I don't know about you guys but I think its safe to finally put our flotation devises away for the spring. I commend the Fire Department and the City for keeping a close eye on the flooding this year... Job well done!

I want to extend a huge thank you to Jessica, Ryan, Matt, Joanne, and Alex for attending the sandbagging event on County Rd. 14. Kathy was deeply appreciative and these are the kind of events that make me proud to be a Delano Jaycee!

Due to some inclement weather sadly our duck race/toss was canceled at Barb King Park for the flood relief benefit. Don't be too sad though the Ducks are going to make a return at the Business Expo! Speaking of the business expo which is coming up on April 9th from 9 a.m. to 1 p.m. Please let Jodi or Toon know if you are going to be able to help out. We have several surprises in store to help promote our chapter's 30th year!

We have a new project for the chapter on April 16th – our first ever Comedy Night Live! I'm extremely excited to see how this does for our chapter. Looking ahead I'm hoping this becomes a recurring successful project for us. Please help promote this to friends, family, co-workers, neighbors, etc... The goal is not only to make this successful for our chapter but also, raise some money for the food shelf and the people that need the help the most. If you need extra flyers or tickets please contact me ASAP.

We have our RU21 Training coming up in April for the 4th of July Beer Sales. April 6th and 12th

at City hall starting at 6:30 p.m.; I want to stress the importance of this training. It is vital for all our chapter members and volunteers to attend this training. This is similar to TIPS training but not the same. If you plan on helping down at the park (which I know all of you are...) you should seriously consider attending one of these training sessions.

To finish out the month I'm thinking of a project... that no one wants to do... but it has to be done... that's right folks.... The highway cleanup! It's a dirty job but someone has to do it!! Tentatively thinking right now for April 30th; the weather is going to play a role in us being able to pull this off and so far Mother Nature hasn't really been cooperating. Please keep April 30th open and as we get closer we will confirm this date. The more people that attend the quicker it goes!

Finally I just want to say you guys are awesome! Each and every one of you plays such an interknit role in the operation of this chapter. From sandbagging a complete stranger's home to filling sandboxes to serving beer at the 4th of July I know our work doesn't go unnoticed and is greatly appreciated. Delano would not be the same with out this chapter and the support we give the community and I thank you all for your commitment to the Delano Jaycee Chapter!

*And that service
of humanity is the
best work of life!*

IT'S ALL GREEK TO ME

Each month we will feature information about the Jaycee organization as it exists today so that you can reap the benefits of all that this organization has to offer.

How did the Jaycees start?

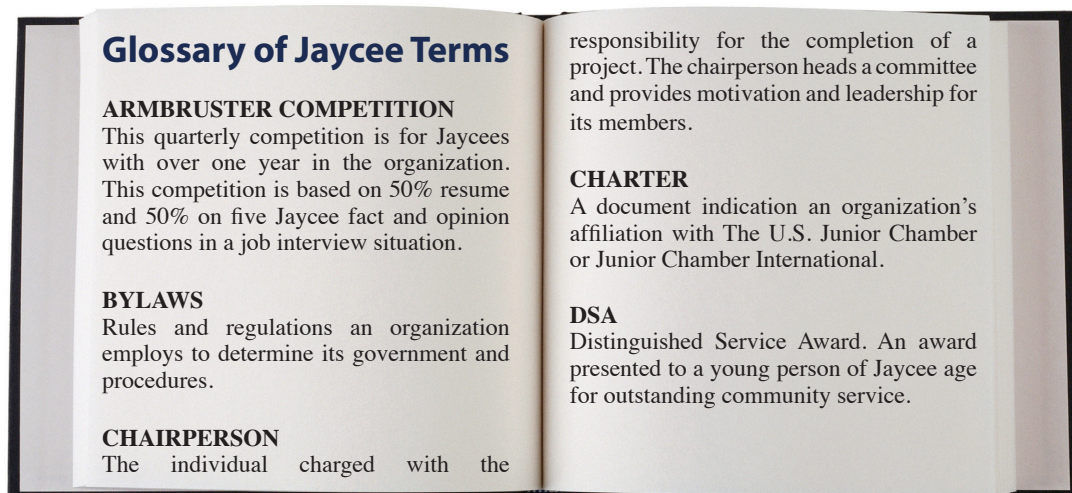

Our founder, Henry "HY" Gissenbier wanted to develop the business skills and the reputation of young men. He felt that young men could make a difference in business and in the community. This approach was unusual, because during this period most young men were out of school by the age of fifteen, and their first jobs were the jobs they died in. If they were lucky, they might work their way into an executive position by the time they were in their forties. But Hy knew that twelve signers of the Declaration of Independence were under 35; Thomas Jefferson was only 33 when he wrote the original draft of the document.

Hy Gissenbier felt that in order for young people to improve their prospects for social and

career advancements they would first have to join forces socially. The Herculaneum Dance Club became the most popular in the city. This progressive attitude, that young men can make a difference, became the hallmark of the Junior Chamber.

In 1914, the Herculaneum Dance Club merged with six other socially-minded groups to form the Federation of Dancing Clubs; Hy was elected president. In this capacity, he led a meeting of the Federation on October 13, 1915, at the Mission Inn in St. Louis, Missouri. It was at this gathering that 32 young men agreed to form the Young Men's Progressive Civic Association (YMPCA), developing their skills as leaders by tackling difficult civic problems.

Gissenbier wanted young men to make an impression early in life, so development of business and leadership skills was offered to members of the early movement. Those skills and other benefits are still offered today.

4TH OF JULY SHIFTS OPEN

Believe it or not, it's 4th of July time already. The 4th of July Committee has already had their first meeting, which means it's time to start thinking about filling the shifts for the beer garden.

As most of you know, this year management of the beer garden is going to be more of a group effort. We have four shifts that need to be filled by Jaycee members. We are also in need of management for some of the day shifts. The shifts are:

I'm going to need a large commitment from the Delano Jaycees in order to fill these shifts, especially the 4th of July.

Please let me know if you have any interest in working down at the beer garden this year. In order to make this work, I'm going to need each and every one of the current Delano Jaycees to help out one day, if not two. Please keep this in mind when making your decision. This is our largest fundraiser, and this year we need your help more than ever.
