## Presidential Update

I don't know about you guys but my air conditioning is getting quite the workout this summer!! Anytime Mother Nature wants to give us a 70 degree day I'm ready and waiting.

In August we will be partnering with the National Honor Society to do a garage sale. The sale will co-inside with the Delano City Wide Sales August 18th – 20th. I'm working with NHS to gather more details on donations and times and will forward this on to the chapter as I receive it. Now is a perfect time to dig through those closets and gather up those knick knacks for the sale! The sale will be at 1348 Woods Creek Dr in Delano.

The Yellow Ribbon Program "Best of 12" had its kick off night on July 26th at City Hall. It was a great success. This program is a great way for us to show support of our military families and service members. If you know of a military family that is need of support in some way from; mowing the lawn, to transportation, to child care please let the Yellow Ribbon committee know so we can show our support of what their loved ones are doing for this country. The next Yellow Ribbon committee meeting will be August 30th 6:30pm at the Fire Hall.

Per our last membership meeting we will be seeking project chairs for both the Haunted House and the 4th of July beer sales. As discussed if we do not have project chairs in place for the Haunted House by our August meeting on the 16th and for the 4th of July beer sales by our

September meeting on the 20th we will not be doing these projects. These are both wonderful projects for our chapter and I would hate to not see them run. We will need at minimum 3 people for the haunted house and 3 people for the 4th of July. If you are interested in chairing these projects please let me know as soon as possible, I have two people already that have stepped up for the Haunted House; Cassie and Dan (pending his job situation).

Our chapter is also looking at doing a membership drive/marketing program, WE NEED YOUR HELP! We are in need of quality members that want to make the community of Delano a better place for everyone. Jessica and Ryan are diligently working on a membership plan but they are looking for everyone's input! Please send them your ideas, thoughts, suggestions as soon as possible so we can finalize our plan and put it into place soon. Our chapter only survives because of the people in it so if you know of anyone looking to help our community please invite them to a project or meeting to check us out.

Our next general membership meeting is on August 16th at 5:30pm at the Legion. I hope to see you all there. If our meeting times do not work for you please let me know so we can accommodate everyone as much as possible. Thank you for your commitment to the Community of Delano!

## THE JAYCEE CREED

*We Believe:*

*That faith in God gives  
meaning and purpose to  
human life;*

*That the brotherhood  
of man transcends the  
sovereignty of nations;*

*That economic justice can  
best be won by free men  
through free enterprise;*

*That government should  
be of laws rather than  
of men;*

*That earth's great treasure  
lies in human personality;*

*And that service  
of humanity is the  
best work of life!*

# DELANO JAYCEE HAUNTED HOUSE

Can you hear the screams of terror yet? That's right, Halloween will be here before you can scream "I want my mommy!" or "You want to play whack a werewolf?" So we need to start planning. What we need to get started:

**Co-Chairs.** The more we have, the easier it is for everyone. We have one and a half co-chairs so far. So search down deep for that scary bone inside of you and let Nichole (nkrause@amfam.com) or Jessica (jartibee@gmail.com) know if you are interested.

### Location, location, location.

Always drive past a place that gives you the goosebumps? Know of another place we could use? Without a location this year, the project is unable to happen. It is going to take ALL of our efforts to find a location this year. Talk to your friends, families, co-workers, neighbors and let's see what we can come up with!

# We need YOU! Membership drive.

The Delano Jaycees are in need of some growth. Coming up soon we will be putting together a membership drive campaign to keep our chapter alive!

**Ideas needed.** Put on your thinking hat. For this membership drive we will be printing out some fliers, running a news article, and a variety of other items to help support this. What we put in, is what we get out so let me know if you have any catchy headlines, text, or an idea of how we can get this information out to the community!

Questions that need to be answered in this

campaign: What do the Delano Jaycees do? What projects are they involved in? Who benefits? How do I join? What can the Delano Jaycees do for me? How much to I have to volunteer? Do I have to be a Delano resident? Tell me in your words how you would answer these questions to a potential member.

**Quotes needed.** How has the Delano Jaycees helped you? I would like to include a couple quotes from members in this campaign. Look at yourself before joining the chapter and look at who you have become now... What has changed in your own lives and how has the Delano Jaycees helped you?

**E-mail today.** Even if it is just a quick idea please send to me. I am trying to get this put together and out as soon as possible.
