## Presidential Update

year on a high note!

I can't believe it is September already! Where has the summer gone? We have been tremendously busy this summer with events throughout town and I know we can finish the

is only going to make it that much smoother for everyone!

Our chapter is also looking at doing a membership drive/marketing program, WE NEED YOUR HELP! We are in need of quality members that want to make the community of Delano a better place for everyone. Jessica and Ryan are diligently working on the membership plan and are hoping to have it finalized early October to be implemented by the haunted house. Be watching for more details soon on this. Our chapter only survives because of the people in it so if you know of anyone looking to help our community please invite them to a project or meeting to check us out.

I want to thank the Youth as Resource group for all their work with the garage sale. I hear it was a huge success and we appreciate everything you did to make it happen!!

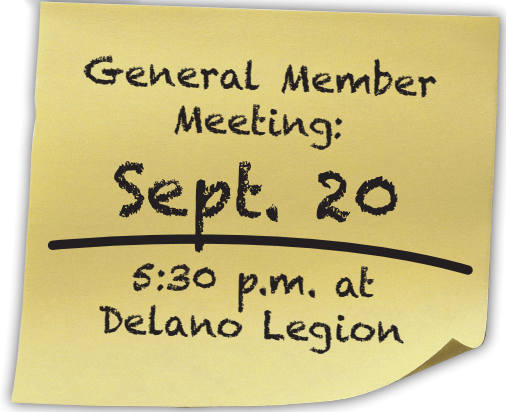

We have our Haunted House Chair people! Thank you to; Dan, John, Cassie, and Jessica for stepping up and chairing this project for the chapter! We are still in need of chair people for the 4th of July beer sales by our September meeting on the 20th. We will not be doing this project if the chairs are not in place by then. We will need a minimum of 3 people for this event. If you are interested in chairing this project please let me know as soon as possible.

Our next general membership meeting is on September 20th at 5:30 pm at the Legion. I hope to see you all there. If our meeting times do not work for you please let me know so we can accommodate everyone as much as possible. Thank you for your commitment to the Community of Delano!

The haunted house is off to a WONDERFUL start! We are planning on moving the rest of the items back to the location on Sept. 13th at 6 pm. If you are available please come as all we have left is the lumber and that is going to require as many people as possible. It is my hope to have a finalized layout by then so we can start laying out lumber that night or possibly later that week/weekend. I'm hoping to put together a plan of attack that night as well on when we want to work on the construction/decorating throughout the month of September and early October but I need your input! This is very much a team project and designing a plan of attack

## THE JAYCEE CREED

*We Believe:*

*That faith in God gives  
meaning and purpose to  
human life;*

*That the brotherhood  
of man transcends the  
sovereignty of nations;*

*That economic justice can  
best be won by free men  
through free enterprise;*

*That government should  
be of laws rather than  
of men;*

*That earth's great treasure  
lies in human personality;*

*And that service  
of humanity is the  
best work of life!*

# DELANO JAYCEE HAUNTED HOUSE

Thank you to Dan, Jessica, Cassie, and Jon who have stepped up to chair the haunted house!

**Location set** - We will be using the same location this year. Thank you to Jerome and Marie Andres!

**Moving day - Tuesday, Sept. 13** we will be moving all of the wood from the school to the haunted house location. More people we have, the quicker it will go.

**Construction schedule** - We will be working on construction every Tuesday and Thursday from 6-8 p.m. starting Thursday, Sept. 15. If a different time works better let Jessica (jartibee@gmail.com) know.

If you know anyone with a construction background that could help frame out the walls, feel free to ask for their help. They need to withstand the force of a terrified macho teenager flying at full speed with a monster chasing him.

## It's all greek to me

Each month we will feature information about the Jaycee organization as it exists today so that you can reap the benefits of all that this organization has to offer.

### What impact have Jaycees had on communities across America?

The section that follows is a brief description of the emphasis areas chosen by the Jaycees nationwide, by decade. Continued from last month...

The 1950s - Jaycees sponsor stops on Professional Golfers' Association tour. First Outstanding Young Farmer and Junior Tennis programs held. War Memorial Headquarters dedicated in Tulsa.

Jaycees continued to ply an important role on the national scene in the '50s with efforts to grant statehood to Alaska and Hawaii.

The 1960s - First Governmental Affairs Leadership Seminar (GALS). Uniform Vehicle Code adopted nationally. Clean Water Program launched. Shooting Education adopted as a national program. Project Concern adopted as International Relations activity.

Jaycees' impact in the '60s resulted in the first annual

National Award of Distinction, from National Clean-Up Paint-Up Fix-Up Bureau.

The 1970s - "Do Something" campaign sparked national interest in volunteerism. Operation Identification program to combat burglaries. Operation Red Ball reduced fire fatalities. Operation Threshold, a program dedicated to reducing alcohol abuse.

During the '70s the JCI World Headquarters moved to Coral Gables, Florida and the Exhibition Hall opened at the national headquarters in Tulsa.

# We need YOU! Membership drive.

The Delano Jaycees are in need of some growth. Coming up soon we will be putting together a membership drive campaign to keep our chapter alive!

**Ideas needed.** Put on your thinking hat. For this membership drive we will be printing out some fliers, running a news article, and a variety of other items to help support this. What we put in, is what we get out so let me know if you have any catchy headlines, text, or an idea of how we can get this information out to the community!

Questions that need to be answered in this

campaign: What do the Delano Jaycees do? What projects are they involved in? Who benefits? How do I join? What can the Delano Jaycees do for me? How much to I have to volunteer? Do I have to be a Delano resident? Tell me in your words how you would answer these questions to a potential member.

**Quotes needed.** How has the Delano Jaycees helped you? I would like to include a couple quotes from members in this campaign. Look at yourself before joining the chapter and look at who you have become now... What has changed in your own lives and how has the Delano Jaycees helped you?

**E-mail today.** Even if it is just a quick idea please send to me. I am trying to get this put together and out as soon as possible.
